EDUCATION & PUBLIC HEALTH DEPARTMENT.

G.O.Ms.No.635 P.H. Dated the 2nd March 1948.

Read: From the Special Officer, Cuddapah District Board, R.C.No.A.7.451-46, dated 3-7-1947.
From the Inspector, Municipal Councils & Boards, L.Dis.No.30025-47, dated 24th September 1947.
From the Director of Public Health, R.No.69225-I-E1-47, dated 2nd November 1947.

ORDER:

The Special Officer, Cuddapah District Board enquires whether the post of Licence Inspector under the District Board may be declared as one involving the assumption of duties and responsibilities of greater importance than those attached to (1) the post of Sanitary Inspector of a Panchayat Board (2) a first class vaccinator of the District Board.

2. The Special Officer is informed that the appointment of a Panchayat Board, Sanitary Inspector or a vaccinator as a District Board Licence Inspector should be deemed to be that of an outsider for the first time since each local body is a separate unit for purposes of appointment and discharge of its staff and that the person so appointed is entitled only to the minimum in the scale of pay of Licence Inspectors unless Government specifically in exercise of their powers permit a higher rate of pay. The question whether the post of a District Board Licence Inspector carries greater responsibilities or not than those of the post of a Panchayat Board Sanitary Inspector or Vaccinator does not arise.

3. The appointment of a District Board First Class Vaccinator as a Licence Inspector may be deemed to be one involving higher responsibilities. A first class vaccinator of a District Board, appointed as a Licence Inspector under the same Board, if he possesses the Sanitary Inspector's qualification, will be allowed to draw pay in the scale of Rs.60-3-120.

4. The Government do not accept the suggestion of the Director of Public Health that the appointment of Licence Inspectors in the first instance should be only to Grade II in the scale of pay of Rs.45-2-85 and that only Licence Inspectors with 10 years service should be promoted to Grade I in the scale of pay of Rs.60-3-120. His attention is in this connection invited to Memorandum No.3, Public Health Department, dated the 14th February 1948.
